

Chambers County Juvenile Drug Court

PHASES POSTER

PHASES Chambers County Juvenile Drug Court

The Chambers County Juvenile Drug Court operates through successfully completing three phases. While every juvenile has an individual treatment plan that will be unique to his or her needs, the process is the same for all participants.

Phase I—three months

Program Requirement—Each treatment plan developed by the Drug Court team is individualized for the participant and family but may include the following at a minimum

Juvenile	Parents	Advancement Requirements
Cooperate in completion of assessment	Cooperate in completion of assessment	
Random Drug Screens as scheduled		80% of drug tests are clean
Regular meetings with probation officer as scheduled	Attend meetings with probation officer with child	Attend 100% of meetings unless excused
Regular court appearance	Attend court with child	Attend 100% of court sessions unless excused
Substance abuse education groups	Attend parents portion of substance abuse education component	Attend 100% of court sessions unless excused
Follow steps of treatment plan which will include the above listed steps and may include additional steps such as counseling, residential treatment, etc	Support juvenile and encourage participation in treatment plan and cooperation with rules of the court and rules of probation	Abide by 100% of treatment plan recommendations
Attend school or other approved educational curriculum	Report to Drug court coordinator progress and/or failure of juvenile to follow house rules and curfew	Attend educational component unless excused
Comply with all rules of probation		Abide by all rules

Phase II—three months

Program Requirement—Each treatment plan developed by the Drug Court team is individualized for the participant and family but may include the following at a minimum. These components may be of less frequency and intensity than in Phase I

Juvenile	Parents	Advancement Requirements
Random Drug Screens as scheduled		90% of drug tests are clean
Regular meetings with probation officer as scheduled	Attend meetings with probation officer with child	Attend 100% of meetings unless excused
Regular court appearance	Attend court with child	Attend 100% of court sessions unless excused
Substance abuse education groups	Attend parents portion of substance abuse education component	Attend 100% of court sessions unless excused
Follow steps of treatment plan which will include the above listed steps and may include additional steps such as counseling, residential treatment, etc	Support juvenile and encourage participation in treatment plan and cooperation with rules of the court and rules of probation	Abide by 100% of treatment plan recommendations
Attend school or other approved educational curriculum	Report to Drug court coordinator progress and/or failure of juvenile to follow house rules and curfew	Attend educational component unless excused
Comply with all rules of probation		Abide by all rules

Phase III—three months

Program Requirement—Each treatment plan developed by the Drug Court team is individualized for the participant and family but may include the following at a minimum. The requirements for this phase will be of less intensity and frequency than Phase II except for drug screen requirements.

Juvenile	Parents	Advancement Requirements
Random Drug Screens as scheduled		100% of drug tests are clean
Regular meetings with probation officer as scheduled	Attend meetings with probation officer with child	Attend 100% of meetings unless excused
Regular court appearance	Attend court with child	Attend 100% of court session unless excused
Substance abuse education groups	Attend parents portion of substance abuse education component	Attend 100% of court sessions unless excused
Follow steps of treatment plan which will include the above listed steps and may include additional steps such as counseling, residential treatment, etc	Support juvenile and encourage participation in treatment plan and cooperation with rules of the court and rules of probation	Abide by 100% of treatment plan recommendations
Attend school or other approved educational curriculum	Report to Drug court coordinator progress and/or failure of juvenile to follow house rules and curfew	Attend educational component unless excused
Comply with all rules of probation		Abide by all rules
